

College Representatives
Orientation 2008

College Representatives are responsible for the Academic Showcase table, coordinating the College Workshop, assisting College Deans and Chairs with the scheduling of advisors for Orientation and serving on the Orientation Committee to disperse information to the College Dean and Chairs. College Representatives serve as the primary contact for Deans and Chairs regarding Orientation and Advising information. In terms of Advisors for Orientation, the Office of Academic Advising & Retention will send a preliminary list of attendees to College Representatives, Deans and Chairs a week in advance and will follow up with a final list 2 days prior to Orientation. Please work with the College Representative to schedule advisors to be present to advise if there are majors from your department attending on that day. Make your department staff aware of the Orientation in case the College Representative needs to contact someone during the day to troubleshoot.
